

(This page) Mrs. ZP an Asang Khongcaa Chin Christian from Western Myanmar, 72 years old, prayed for 52 years for her own Bible. Not only did she not have a Bible, but there was no Bible in her heart language. Biblia Global funded the printing and shipping of 4,425 copies of the very first Asang Khongcaa Chin Bible for Christians like Mrs. ZP. Mrs. ZP prayed God would allow her to live to own her own Bible and read it completely through once. Thanks to you, our donors, she received her first Bible in 2021 and has read through the entire Bible in her heart language!

The Rev. TB (see testimony below)

Asang Khongcaa Chin believers receive their first Bibles.

"My name is the Rev. TB. I am the former General Secretary of the Asang Khongcaa Baptist Association, and a part of the translation check team. Now, I am a retired pastor but I was the leader of checking the Bible translation into our heart language, Asang Khongcaa. Rev. B started translating in 1988 and completed everything in 2009. But there was no way to print. Rev. B went to more than four printing ministries in the United States who denied his request ... He came back to Myanmar really upset.

In 2013, 500 believers came together and began praying and fasting for a way to print our Asang Khongcaa Bible. Continually, we prayed to God for 6 years and finally God answered above and beyond our prayer request. What I mean when I say "beyond our prayer request" is we were going to borrow money from someone or a Bank and after we printed our Bible, we would then sell and give back that which we borrowed. But God's plan is beyond our purpose and prayer because now we don't need to borrow money and as you funded the printing of our Bible. We received God's Word for FREE! This is a marvelous blessing to our Khongcaa people.

Up to today, we Asang Khongcaa tribal people don't have any printed books, even tracts. This Bible is the very first book that we Asang Khongcaa people have received and it is the most precious book to us.

By the grace of God, you, his chosen people, funded all the needs we had for printing and for transportation. Now, we Asang Khongcaa people freely received the golden KEY, the Bible, to help us grow Spiritually and Physically. We Asang Khongcaa tribal people are the most undeveloped tribe among other tribes of the Chin because we didn't have the Bible.

My prayer was to see and hold our Asang Khongcaa Bible before I died. God answered my prayer and now I see, hold, open and read our own Bible in Asang Khongcaa. PRAISE THE LORD! Thanks to all of God's chosen people who supported and distributed our Asang Khongcaa Bible to us."

- Rev. TB, Myanmar

My name is Pastor TK and my wife is Mrs. KS. I am pastoring in L Village, L Asang Baptist church. I participated in the checking of our Asang Khongcaa Bible translation. All the doors were closed to print our Bible because our people don't have the funding. 96% of our Asang Khongcaa people are farmers and live in remote mountainous areas. Because of God alone, we have food to eat from our farm and there is no income at all.

My salary is 25,000 Kyats (\$16 USD) per month. It is not easy to raise funds to print our Bible. All of us leaders were upset and discouraged because there was no way to print. But I looked to the Lord and prayed to him because this is the only way we can do it. After praying to God for more than 9 years, God's miracle came to our Asang people and without money from of our Asang people. The Bible was printed and distributed FREELY. This is a wonderful miracle from God for the Asang Khongcaa tribal people.

This is the very first Bible we Asang Khongcaa people have received. Thanks for your great donations to be able to print our Bible and to receive this gift. God bless you all.

Thank you to everyone who prayed and gave to Biblia Global in 2021. You have been part of making a tremendous difference for God's Kingdom and equipping the Church in closed placed. Despite continued COVID restrictions and a major military coup in Myanmar in 2021, doors remain open. Please pray that doors continue to remain open in 2022, that Biblia Global is blessed with resources to do the task we are called to, and that the doors to travel internationally to carry God's Word reopen.
